

# Bishop Douglass Catholic School

*An Academy School in the Cardinal Hume Academies Trust*

Headteacher: Mr Martin Tissot, MA, MBA, NPQH

Dear Parent or Carer,

We are pleased to invite you to a talk on **Internet Safety and Online Protection** on **1 November at 6pm** in the School Hall. The talk is expected to last for approximately one hour.

As well as providing you with valuable and up to date information on this ever changing issue, there will be time for questions, regarding online safety should you have any. We expect to finish at approximately 7pm.

Recognising the ever evolving technological society we live in and understanding that the internet is now used as a major source of research information, we have arranged for an expert to provide parents with important advice in trying to keep your child safe online. This evening follows on from the talk your child will receive on online safety.

As Pastoral Leaders we have become increasingly concerned by some of the available reading material and videos students now access in their own time, along with applications students use and talk about in school.

We can thoroughly recommend this talk, it having taken place in previous years, in giving guidance and advice in keeping your child safe online and helping monitor the various applications, websites and software that he may be using on the home computer, tablet or their phone.

If you are interested in attending the information evening please return the reply slip below so that we can ensure we can accommodate all parents who wish to come.

Yours sincerely,

Mrs Mclean-Boyd  
Associate Headteacher
