

Bishop Douglass Catholic School

An Academy School in the Cardinal Hume Academies Trust

Headteacher: Mr Martin Tissot, MA, MBA, NPQH

Dear Parents/Carers,

Over the last few weeks, teachers have been organising online lessons with Year 10 and 12 students, which have gone well. We are now starting similar lessons with Year 9 classes. The timetable for these lessons is on the next page.

In order for your son or daughter to access these lessons, they will have to log-in to their new school email by going to the following website:

teams.microsoft.com

They will then need a username and password. The username is their normal computer log-in username, followed by @students.bishopdouglass.sch.uk. It should be entered like the example below:

993456@students.bishopdouglass.barnet.sch.uk

The password is the password they use to log-in to the computer at school.

If they have any issues they can email our dedicated school closure IT email: it@bishopdouglass.barnet.sch.uk

They will achieve a better experience from the lessons if they download the Microsoft Teams application onto their computer or phone.

Please remind them that this is monitored by the school and our school expectations for IT usage are expected to be followed. We record some of these sessions as part of quality assurance and in order to ensure that pupils are safeguarded. Recordings are not routinely kept beyond one calendar month.

If your child does not have access to a laptop or the internet at home, please contact the school and inform us so that we can support you. In the meantime, copious amounts of work can be done without technology using a textbook and answering questions in your exercise books. This can then later be photographed on pupils' phones and emailed to your teachers from your school email address using data on your phone.

Many thanks for your co-operation in ensuring that pupils attend any online learning sessions.

Kind regards,

Michelle Henderson
Head of School
