Dear Parent/ Carer,

Parent and Pupil Online Safety Event: Monday 7th February 6.00pm-7.00pm

We are pleased to be hosting a parent and pupil online safety event this week. As a school, we are aware pupils enjoy spending much of their leisure / spare time on their devices and engage with activities, such as: gaming and exploring social media, which can help to boost social skills and friendships. However, such sites can present risks to your child, and as parents/carers, it is becoming increasingly important to be one step ahead of these new risks and know how to ensure that your child is safe online.

We would like to invite you and your child to take part in an online live streaming session with a specialist consultant, Perryn Jasper, who specialises in Online safety for young people. The session will take place on **Monday 7th February 2022 6.00 – 7.00pm.**

Topics which will be covered include:

- Identifying the issues children encounter online
- Identify ways to keep your child safe
- Gaming- Roblox, Fortnite
- Social Media
- Recognise the risks and what they could lead to
- Be aware of how to manage these issues and risks
- Know where you can access information and support

Please follow the link below to join the Teams meeting. Please log in through your child's MS teams account:

We would like to strongly encourage all parents and carers to attend this session with their child.

Kind regards,

Mrs M Henderson
