

BISHOP DOUGLASS CATHOLIC SCHOOL

An Academy School in the Cardinal Hume Academies Trust

Bishop Douglass School
Primary Engagement Programme

WELCOME

At Bishop Douglass we welcome the opportunity to build and develop relationships with primary schools, their families and the local community.

Our school benefits from excellent facilities and experienced subject specialists. We are keen to share these resources with the community to provide further opportunities for young people in the local area, whilst helping to create a seamless transition for them as they begin their secondary education.

Workshops can be booked as a one-off session or in blocks; and masterclasses and activities can be tailored to suit the needs of your school. Please select a subject of interest from the options below and get in touch to discuss further.

What our partner primaries said about their recent experiences:

“Thank you for providing such an exciting opportunity for our budding artists. Teachers commented that the children returned to class buzzing after the workshop and the rest of their classes were so impressed with their masterpieces. A big thanks to your talented Art Department for providing such an engaging experience!”

Deputy Headteacher

“The activities were so well organised and staff and students were so welcoming and hospitable from the moment we arrived. The lessons were really well prepared, challenged our pupils and provided experiences in subjects that we don't offer at primary. Thanks to your staff for their time and effort and we look forward to our next masterclass!”

Year 5 Teacher

Science

English

Maths

A multi-activity day

this includes a variety of the above subjects.

In pursuit of excellence

Our Facilities and Resources

A number of our local primary school partners already use our facilities and resources. Please let us know if you would like to access any of the following we have to offer:

Sports Facilities

Our outstanding sports facilities can be used to host PE lessons and activities, including our sports hall, dance studio, gym and large games field.

Hall

A wonderful space with full sound and lighting technology, perfect for performances.

Music Lab

A space for pupils to explore different instruments including keyboards and ukuleles.

ICT

Our modern ICT suite can be used to allow pupils to acquire the skills to use ICT effectively, confidently and safely.

Learning Resources Centre

Our well-resourced LRC offers a great space to enjoy reading and carrying out research into a variety of topics that supports learning in lessons.

Science Labs

Fully equipped laboratories and equipment are available for budding scientists that want to try out their own experiments.

Drama Studio

If you are looking for space to rehearse come and use our drama studio, there is plenty of space to practise!

Design Technology Suites

Well-equipped rooms to support the development of creative and design skills.
