Dear Parent/Carer,

As we move swiftly towards the end of our second half-term of this academic year, we will be holding our end of term assessments for all students. These will take place over the next two weeks.

Assessment of your child's current progress will take a variety of formats, dependent on the specific subject area and course content. Please ensure that your child is fully prepared for their assessments, by assisting with their organisation at this important time. Each subject has provided a topic list relevant to the assessment that will take place. This is on the back of this letter. These topics will change over the course of the year, culminating in one final end of year assessment in the Summer term 2023 covering the entire subject content.

As a school, we have provided excellent provision in order for each child to make exceptional progress. This year, we continue to offer the following support to assist students:

- Breakfast club (Free breakfast provided for those who arrive before 8.20am)
- Specific homework support clubs for those who require assistance.
- After school prep in the form of evening study: this runs from 3.10-5.40pm every Monday to Thursday. A free hot meal is provided at 5.40pm for those who have attended.
- Academic and Pastoral Mentoring.
- After-school, Saturday and holiday support sessions.

I would like to take this opportunity to wish your child every success during this assessment period, and over the course of the academic year.

Kindest regards,

*S Bent*
